

## To access magazines with Flipster you will need:

- A TCPL library card
- A computer or mobile device to download and view in browser
- Wi-Fi or Internet
- The Flipster app for iPads, Android Tablets, and Kindle Fire for offline viewing

## To access Flipster

### *Via a computer, tablet, or phone (outside library):*

1. In web browser go to [www.tusclibrary.org](http://www.tusclibrary.org)
2. Click on **ecollections**
3. Click on the Flipster icon\*
4. Enter your library card number (no spaces)
5. Click *Login*

*\*Inside library, connected to library's internet you'll be logged in automatically after clicking on the icon*

## Searching Flipster:

Search for titles by keyword, browse by Category, Latest Issues, or All Issues.

To create a Basic Keyword Search:

1. Enter search terms in the *Search for titles* field and click Search.  
A Result List of magazines that match your search is displayed.

For a more detailed search, use *Advanced Search*

2. Click on a title and begin reading in the Flipster viewer in browser
3. To open the magazine in the app on a mobile device, click on the contents menu  and select *Open in App*.
4. The magazine will load into the app.
5. Tap on the cover to open and read.

## The Flipster app:

The Flipster app manages your magazines downloaded from the Flipster website for offline viewing.

Download the free Flipster app from the App Store or the Google Play Store. For instruction on downloading an app to the Kindle Fire see *Flipster App for Kindle Fire Tablets* under **Mobile Apps** in the Help section on Flipster in your browser.

- Download popular magazines and read offline
- Organize your magazines by date or title
- Browse magazines via table of contents and page thumbnails
- Track percentage of magazine read
- Perform Keyword searches w/in magazines (desktop & mobile)
- Print articles from a computer
